

HACKLEY
Public Library

Everything Imaginable.

Earth Day Turtles

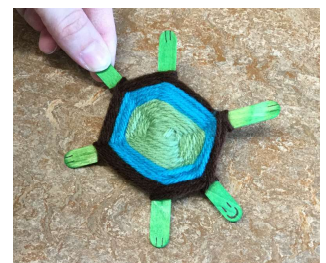

You will need:

- 3 Popsicle sticks
- Blue Yarn
- Green Yarn
- Brown Yarn
- Glue
- Marker

Instructions:

- 1** Glue your sticks together to make a star. Let dry.
- 2** Tuck the green end of the yarn under your popsicle sticks. Leave an inch of the green end loose for later. Wrap your yarn several times around the middle to hold it in place.
- 3** Hold the center of the sticks and then start wrapping your yarn around each stick in a clockwise direction. Repeat until you run out of yarn.
- 4** Tie the brown end of your yarn to the loose green end to finish. Cut off any excess. Feel free to draw on details like a face or some toes.
