

Tissue Paper Pumpkins

You will need:

- Pumpkin outline
- Orange tissue paper
- Green tissue paper
- Black tissue paper
- Pencil
- Glue

Instructions:

- 1** Place your pencil eraser on the middle of a scrap of tissue paper.
- 2** Wrap the tissue paper around the end of the pencil.
- 3** Dip the end in glue and stick the tissue paper to your pumpkin outline.
- 4** Repeat steps 1-3 until your entire pumpkin is filled! Don't forget to use green for the stem, and black for the eyes, nose, and mouth.
